With reference to the above has the honor to state that ruling of recovering 3% of pay towards the house rent, holds ood only for Civil Officers and Officials, who receive their full pay ives one anna for receipt Stamps.

Whereas it is quite converse in the case of ilitary Cavalry Regiments. After the permanent marginally noted ductions, they receive the balance of their pay, out of which they e to maintain the Government horse. The feeding itself Costs Rs 13/- per regulation in force. So after the above Compulsory expenses Sowar gets Rs 11/4/6 for his own use. Seeing the paltry balance receives he cannot be forced to pay Rs 1/8 for house rent as propos the Statement alluded to.

Since the time that Government got the lines bui the use of Cavalry Regiments at Bangalore, Mysore and Shimoga Government has been taking only 4 annas from Sowars and 8 annas om Non-Commissioned Officers besides one anna for Conservancy Fund

Having regard to the other numerous deductions of their pay, and paltry amount they receive, the undersigned recom ends not to enhance the house rent in any way, but to retain the same te as they have been paying hitherto. At the same time suggests to do way with the Conservancy Fund, since it has been borne by the Govt. der the new Proceedings and requests to include the said one anna in rent.

As to the house rent to be recovered from fficers is a question to be decided at present. Up to this time they were t provided with separate quarters, hence no rate is fixed for them yet

Sir,

In replying to your letter No: 935 of the 29th Ultimo, on the subject of rents to be recovered from officers & men of the Imperial Service Regiment at Bangalore, - I have the honor to inform you that I agree in your views that it is fair to rain the rents as shown in the last column of State-ment attached to your No: 492 D/. 20th September last, to the address of the Superintending Engineer, Eastern Circle. But, as the proposed rents for the officers differ from those shown to be recovered under "Standing orders" from the

and Barr Regiments, it seems necessary for you to obtain Government sanction to the introduction of the new scale of Rents.

II As Regards the disposal of Rents Collected, the present arrangement as described in the concluding portion of para 1 and in para 2 of Your letter under reply, may be continued.

III I would invite your attention to P.W. Secretary's Cir: Rec: 67 Dy. 18 June 1896, under which petty works & repairs under Military, have to be carried out by the Agency at the disposal of the Military Department. The P.W.D cannot possibly undertake such works with the limited establishment at its disposal.
